# Welcome

Welcome to 2012 International Conference on Innovation, Trade and Economics – ICITE 2012. At first, we are so glad to see the progress of this conference both in terms of quality and quantity. Based on the success of the previous conferences by IEDRC, The number of the submissions for this conference has increased largely and many more scholars such as the leading researchers, engineers and scientists in the domain of interest from around the world, participate actively in and start to enjoy this conference. We trust deeply that we will step on a higher floor of this conference this year in Hong Kong.

As a global academic symposium on Innovation, Trade and Economics, the aim of ICITE 2012 is to facilitate the communication of academe between domestic and foreign, to construct international communication platform, and also to exhibit the new fruits of new advances of Innovation, Trade and Economics.

At this moment, our sincere thanks give to organizers and program committee who deeply contributed to the success of the conference in this year by organizing a technical track for the ICITE 2012. Special thanks are due to the authors who contributed to this conference.

We hope and believe that everybody here will have an academic enjoyment during this conference in Hong Kong.
