Festivals, Games, and Amusements, Ancient and Modern 1831 excerpt from festivals games and amusements ancient and modern the subjects considered in this volume hare been so thoroughly sifted by professed antiquaries that when they were submitted to the present writer he at once perceived the impossibility of illustrating them by any new facts while he felt the difficulty of compressing within the narrow limits assigned to him the vast quantity of materials that had been accumulated by his predecessors compilation and selection were the principal tasks left to him by these means he has endeavoured to condense into one little volume the information that he found dispersed in many and to present in as popular and
pleasing a form as possible what has been too often encumbered in more erudite disquisitions with learned lore and antiquarian pedantry it is hoped that in thus pruning away the useless leaves in order to render the fruit more evident and attractive little has been sacrificed which for general purposes it would have been desirable to retain in works of this nature which profess to be little more than summaries and abridgments it is difficult to hit the happy medium between meager analysis and the fulness of original inquiry about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

2015-09-19 when children have passed beyond the rattle age, they reach out their hands for baa lambs, woolly sheep, cows with bells, cats that meow, and dogs that say bow wow. The next advance in amusement is to play with a toy that goes on wheels and therefore for a half hour at a time. Little folk will be content by drawing around the nursery such toys as trains of cars, horses with long tails, express wagons, etc. And then follows the period when pretty lady dolls must go out to drive in a pretty carriage accompanied by mistress baby whose chubby hands push the doll's carriage ahead. Nurse's ever vigilant eyes keep watch so that neither baby nor the baby's doll like the historic jack and jill fall down and break their crown but notwithstanding all the toys and amusement, there will be heard the oftentimes plaintive wail play with me please play with me and then it is that the wise mother or nurse will introduce a simple game perhaps puss in the corner or blind man's buff or perhaps hide behind a large chair or screen and call aloud where am i and such a mischievous laugh will follow when the toddling child finds the one who has thus hidden from this period. Game follows game just as naturally as year follows year and even when the little tot has grown to womanhood or manhood, the cry is still heard play with me please play with me and then it is that the wise mother or nurse will introduce a simple game perhaps puss in the corner or blind man's buff or perhaps hide behind a large chair or screen and call aloud where am i and such a mischievous laugh will follow when the toddling child finds the one who has thus hidden from this period.
