this collection of the best short stories of mark clifton makes these fine tales readily available for the first time in two decades winner with frank riley of the 1955 hugo award for they d rather be right clifton has for a variety of reasons unrelated to the quality of his writing all but disappeared from the aware ness of today s science fiction audience never a prolific writer he had published only about twenty five short stories before his death in 1963 but with those stories and his three novels he irrevocably altered the course of contemporary science fiction almost single handedly he introduced the full range of psychological insights to the commonly occurring themes of the genre alien invasion expanding technology revolution against political theocracy and space exploration and colonization to ever more truthfully portray how humanity would react to a future that could be either mindless or intellectually stunning with his first published story what have i done clifton initiated the theme of a starkly realistic world in which at its best humanity is inalterably vile a theme that became an inextricable part of all his subsequent works in his later works clifton occasionally clothed his bitter indictment in the garb of comedy the stories collected here include what have i done star bright crazy joey what thin partitions sense from thought divide how allied remembrance and reflection hide hide witch clerical error what now little man and hang head vandal

Clifton sermons 1865

writing and composing with honesty and humanism lucille clifton is known for her themes of the body family community politics womanhood and the spirit while much of her work deals with the african american experience she does not limit herself to that perspective addressing topics common to all women to all people
this timely and important biography will give readers a glimpse into the life and work of this important and revered African American poet, writer, and educator exploring themes that run throughout her writing as well as the personal obstacles she faced and overcame. Lucille Clifton was born in Depew, New York in 1936. Today, she is one of the most important and revered African American poets, writers, and educators in the nation. In addition to several works of poetry, she has written more than 15 children's books. Her work has been nominated for three Pulitzer prizes and two national book awards—one of which she won for Blessing the Boats. New and Selected Poems, 1988-2000. In 1999, she was appointed and remains a chancellor of the American Academy of Poets—one of the most prestigious honors in American letters. Among her best known works is the poem Miss Rosie, anthologized many times over and a standard part of high school curriculums. She has won an Emmy Award, a Lannan Literary Award, two fellowships from the National Endowment for the Arts, and many other prestigious awards. Writing and composing with honesty and humanism, Clifton is known for her themes of the body, family, community, politics, womanhood, and the spirit. While much of her work deals with the African American experience, she does not limit herself to that perspective and addresses topics common to all women and all people. This biography covers Clifton’s life and work, addressing themes that run throughout her writing as well as the personal obstacles she faced and overcame, including her own faltering health. This timely and important biography will give readers a glimpse into the life of one of America’s most important, influential, and enduring writers.

**The curse of Clifton 1853**

Upon a glorious morning in the midsummer of 1853, two equestrian travellers spurred their horses up the ascent of the eagle’s flight, the loftiest and most perilous pass of the Alleghanies.

**The Science Fiction of Mark Clifton 1980**

Mark Clifton, 1906-1963, was an American science fiction writer. The co-winner of the first Hugo Award for Best Novel for They’d Rather Be Right, written with Frank Riley, this volume assembles some of Clifton’s very best work.
the strike that paralyzed the mining camps of clifton and morenci during 1915 16 and gained nationwide attention was one of the most remarkable that ever occurred in the west during an era when physical violence death and property destruction were almost accepted elements of western labor difficulties this walkout was peaceful with few exceptions law and order continually predominated this then is the seldom seen side a positive side to a state s labor history coming at a time when western labor was purging itself of radicalism and recharting its goals the clifton morenci strike may well have been that milestone in organized labor s groping for recognition in the west violence did not erupt this notable absence of bloodshed thereby making the strike unique in that time of industrial turbulence kluger s answer to the question of why and how peace prevailed is significant reading strikers and managers hurled charges at each other but both sides showed restraint when it came to action when negotiations reached an impasse governor george w p hunt moved to prevent the managers from importing strike breakers at the same time the department of labor entered the situation and the rise in copper prices and loss of wages made a settlement desirable for both sides when the mine whistles blew on january 26 1916 to signal the end of the strike the repercussions of the events of 1915 were still to be felt author kluger traces how the strike affected working conditions wages and the cause of unionism in the district overall he provides insight into feelings concerning the fears of management regarding unionism and labor s manner of making itself heard during these years western historians labor historians and all those concerned with labor relations will recognize the importance of this highly readable work
